“THE SHOWDOWN”

*Read. Remember.
Relate. Respond.*

The verses to the right are a great way for families to place Scripture in their minds and hearts as well as discuss the place each verse takes in the overall plan of God’s story. Each verse is taken from its respective week on the reading plan on the reverse.

Read Through the Bible in One Year

Weekly Reading Plan

(FOR ADULTS)

Just Read It!

Each week's reading has roughly the same number of verses. One suggestion for using this plan is to try to accomplish each week's goal, and not necessarily follow a precise day-to-day schedule. The verses in bold are those for the current month. Use a bookmark to keep your place, and if you get behind, simply pick up where you left off and press on toward the goal. In 2016, you will have read the entire Bible from Genesis to Revelation!
